

1. From the left menu select 'Online Activity'
2. Locate the transaction you need to cancel within online activity.  
Note: Transactions can only be cancelled if the status is **"Authorized"**
3. Select the three dots to the far right of the transaction and select 'Cancel'

4. A screen will be presented asking you to confirm you would like to cancel the transaction. Once you are confident you are cancelling the correct transaction select 'Confirm'
